Suggestion Boxes are provided in every building and grievance records placed at various points in the college (including the Library and Hostels) for the students / staff to drop their suggestions and complaints: HOD/Principal/Director regularly attend to these on daily basis for necessary action. In addition, there is a Grievance Redressal Committee (as above), to whom they can contact and inform of their grievances. Besides there is an exclusive mechanism to address the issues relating to „women“ and their grievances. This forum is chaired by an outsider (Activist).

Grievance Redressal Mechanism

The online Grievance Redressal portal facilitates The students to state their grievance regarding any academic and non- academic matter within the campus.

The Grievance Redressal Cell (GRC) aims to look into the complaints lodged by any student and redress it as per requirement.

- Health/ Hygiene awareness program

- Tree plantation program
- Cancer and HIV awareness program
- NSS Unit conducts 10 days Camp in the adapted village

vi. Cultural activities

Our college encourages the students to showcase their talents and skills through organising cultural and sports events. The cultural events conducted in our college are :

- Fresher's Induction Day is conducted every year to welcome the first year students
- Inter-department cultural extravaganza is conducted every year. This is conducted as both off stage and on stage events. The off stage events are Rangoli, Face Painting, Photography, Fireless Cooking and Creating product from waste. The on stage events include Adaptune, Variety programme, Group Song and Group Dance. Prominent personalities from the Film and Television fraternity were invited as Chief Guest, Guests of Honour and judges.
- Women's day is conducted every year on 8th March to honour the womanhood.

vii. Sports Activities

The college encourages the students to take part in both sports, games co-curricular and extracurricular activities. The students are participating in Inter zonal, zonal, All India level and Inter universities tournaments like TIES, Open tournaments and Inter Engineering Invitation games. The tournaments like volley ball/basketball for boys and throw ball tournament for girls are conducted annually. Intramurals in sports and games for boys and girls are conducted every year. An exclusive department headed by physical Director is taking care of the sports activities. Physical director accompanies the students for Inter/Intra/Zonal/State/National level tournaments.

viii. Literary activities

Our central library is fully computerized by automating the issue of books with bar code reader. The college subscribes to most of the major technical journals includes IEEE, ACE, ASME, ASTM, J-GATE, McGraw-Hill Access Engineer, Science Direct Journals etc. useful for researchers in various departments. Moreover NPTEL video classes are also available for various subjects. Besides central library, there are libraries in each department with ample volume of books, magazines and journals for easy access of reference books for faculties and research scholars. The library facilities available in the campus can be utilized by the staff and students with no time restriction. Students are provided one hour every week to use the resources in the library. The library can be utilized six days of the week from Monday to Saturday. Students can use the resources such as books, periodicals, Technical journals and publications and also access the Internet. The following is a summary of the resources available in the library.

- Books and References
- Additional books for meritorious students.
- Periodicals/Journals
- Resources for aptitude and entrance tests.
- Online journals
- Internet facility
- Reprographic Facility
- NPTEL study materials
- Air-conditioned audio-visual Hall for EDUSAT Programmes

ix. Technical activities / Tech Fest

- Every year each department conducts minimum one symposium and conference to kindle the mind of the students in pursuing research. Students interact with resource persons during the above events and develop their knowledge for doing the research.
- Department Professional Associations are always active in organizing the guest lectures and technical symposium, which aims at bringing the academicians and researchers from other institutions/organizations.

x. Industrial Visits / Tours

Each department is taking initiative to arrange minimum one Industrial Visit in a semester. The industrial visit has the following benefits among the student communities
